

A Prayer from the Family

Heavenly Father, we thank you for blessing us with our earthly father, husband, brother, grandfather, uncle and cousin even for what appears as only a short period of time.

Lord we realize that he is now in your care for eternity and that we must be obedient and release him unto you, and we appreciate your for your grace and assistance through this difficult adjustment period.

Jehovah, we also express gratitude to you for the many colleagues and friends and their provision of prayers, support and strength throughout our ordeal, and we request that you provide them accordingly with abundant blessings. *Amen!*
